Subject: Re: Scott's Restaurant: design specifications for public tables and chairs

Dear Peter,

Thanks you for the submittal, which we look forward to reviewing. Are there any sign specifications included, as they are also required.

Adrienne

Subject: Scott's Restaurant: design specifications for public tables and chairs

Dear Adrienne:

Please find attached design specifications for the public access chairs and tables for Scott's Pavilion:

- 15 "Emuamericas Diameter Kiss Solid Top Table" (32" diameter)
- 36 "Florida Seating Stackable Outdoor Aluminum Arm Chair" (19 1/2"Wx 23"Dx 29"H, with a 17" seat, 250lb capacity)

Please let me know if you have any questions, require further information, or would like paper copies of the attachments. Thanks.

Peter
